> You don't often get email from robert.karesh@tn.gov. Learn why this is important

Good Morning,

I was looking over the MS4 NOIs that I have in my que for MyTDEC Forms and noticed that you have not resubmitted your NOI as of yet. Our records indicate that we sent a correction request on December 22, 2022, but it still needs to be corrected, signed again and resubmitted. This email is just a reminder that this is needing attention, and I am unable to review anything until it has been re-submitted. Please let me know if you have any questions.

Thank you,
