Re: Annual Hours of Operation
Operating Permit Number 066734P
Emission Source Reference Number 05-0007-02
Vulcan Construction Materials, LLC
Maryville Quarry

To Whom It May Concern:

This letter is to inform the division that the Vulcan - Maryville Quarry agrees to limit the hours of operation for both the 8x12 Portable Screenall (1) and the 8x4 Kolberg Screen (S-1) to 1,000 hours each in a calendar year.

Please contact me at (615) 390-1289 or myersb@vmcmail.com if you have any questions regarding this correspondence.

Sincerely,
