Re: Additional Information for Construction Permit Application
Midway Concrete Products, Inc.
128 Natchez Trace Road, Camden, TN 38320
Emission Source Reference No. 03-0039-01/Permit No. 982122

Dear Mr. Pearcy:

Your construction permit application dated January 3, 2024, for concrete batch plant was received on January 26, 2024. Additional requested information was received on July 10, 2024, and July 15, 2024, and the application is complete as of July 15, 2024. The Division will now proceed with the processing of your construction permit application. Please be advised that construction or modification of the source cannot begin until you are in receipt of the issued construction/modification permit.

If you have any questions concerning this correspondence, please contact Ms. Anna Atkins at 615-532-0594 or at Anna.Pettit@tn.gov. Your Facility ID is **03-0039**, please reference this number in any further correspondence with the Division.

Sincerely,

James P. Johnston, P.E.
Deputy Director
Permitting & Regulatory Development
