Good Morning!

This was transferred to me this week. I should have it completed by tomorrow and hopefully get a draft to you early next week. I plan to use language from the Lebanon permit.

Thanks,

Tracy:

Thank you and I have a question on another item.

The Murfreesboro permit was drafted back in November, and we made several comments. All the sites on my priority list to Mr. Johnston have been addressed except Murfreesboro. If the final language in the Murfreesboro permit matches the final language in the issued Lebanon permit, we will have no other comments. Will you check on Murfreesboro please?
