RE: Title V Air Permit Renewal Application
Holliston Holdings LLC Facility, Church Hill, TN
Permit No. 568009, Source No. 37-0001

Dear Sir/Madam:

Holliston Holdings, LLC of Church Hill, TN submits the enclosed Title V air permit renewal application, as provided in the facility's current Title V permit. This application is prepared according to guidelines set forth by the Tennessee Division of Environment and Conservation and includes the required forms duly completed.

The facility is currently in compliance with applicable federal and state air regulatory requirements as provided in our Title V permit. The facility employs the "coating content" method to demonstrate compliance with the web coating MACT requirements; therefore, compliance assurance monitoring (CAM) is not applicable for our facility.

With this submittal, we kindly request timely consideration and renewal of Holliston Holdings LLC's Title V air permit. If you require any additional information, please contact Sheldon Sillyman at (423) 256-6021.

Sincerely,

Sheldon Sillyman
VP of Business Development
Holliston Holdings, LLC
