Dear Mr. Harvell,

The Tennessee Division of Solid Waste Management (DSWM) has received the response to the December 18, 2023, letter on January 5, 2024. The DSWM required Velsicol Chemical, LLC (Velsicol) to submit an interim measures work plan to address soil contamination that was discovered at Cypress Garden Apartments by January 7, 2024. Based on a review of your letter and the additional discussions held with Velsicol on January 12, 2024, the DSWM will grant an extension of 90 days. Velsicol will submit an interim measures work plan on or before April 30, 2024.
