Dear Mr. Roling:

The Division of Water Resources, Mining Section, terminated the above-referenced NPDES permit effective today. There were no comments received during the public comment period to withhold termination.

On December 6, 2016, the federal Office of Surface Mining Reclamation and Enforcement (OSMRE) terminated the SMCRA permit.

If you have any questions concerning this correspondence or if we may be of assistance to you in any way, do not hesitate to contact Dave Turner at (865) 594-5541.

Sincerely,
