 AUG 23 2016
 TN DEPT. OF ENVIRONMENT AND CONSERVATION
 DIVISION OF WATER RESOURCES

Remarks: Mr. Garden, enclosed are the engineering report, plans and specifications for the subject project, which will replace the existing Highway 70 SLS operated by the City of McEwen, Tennessee. Please be advised that Division 00 does not currently include Section 00 73 00 "Supplementary Conditions". This section is still be developed by the BWSC office and, if requested, a copy of this section can be transmitted to you for review upon completion. The plans review fee was determined to be \$300 as shown on the enclosed review fee worksheet. If you have any questions, please feel free to contact me directly (615-252-4326 or kris.hatchell@bwsc.net).
