RE: **Inquiry RE: Water Well Rework at 163 Bartree Rd., Stewart County, TN**
Driller Tag: **D0091980**

Dear Mr. Bingham,

On September 1, 2023, the Tennessee Department of Environment and Conservation, Division of Water Resources (Division) sent you an email inquiring whether you performed a rework/deepening of the water well located at the above referenced address. On that same day, there was further correspondence with your office personnel indicating that the email would be forwarded to you. Although the Division did receive a reply from your office on September 1, 2023, we have yet to receive a response to our inquiry as of September 18, 2023.

- 1) Did you perform a rework of the water well located at 163 Bartree Rd. in Stewart County?
- 2) If you did perform this work, when was the work performed?
- 3) If you did perform this work, you are required to submit the Driller Report for this well.

CORRECTIVE ACTION:

You are required to answer the above questions and submit the Driller Report (if applicable) within seven (7) calendar days of receiving this letter. Failure to reply to this letter may result in an enforcement action.

If you have any questions regarding this correspondence, please contact me at Richard.Rogers@tn.gov.

Sincerely,

Richard W. Rogers V., P.G.
Water Well Program Coordinator
TDEC, Division of Water Resources
