Dear Mr. West:

As a follow-up to your July 17, 2014 meeting with Joseph Matalucci (QE<sup>2</sup>), MCCX would like to formally notify you that we have contracted the operations of the referenced WWTP with the City of Wartburg. Our wastewater operator, Tommy Neskaug, has retired and the City of Wartburg will handle the daily operations of the WWTP on behalf of MCCX.

Please call if you have any questions or need further information.

Sincerely,
