Subject: **Notice of Termination NPDES Permit No. TN0064840**
Tennessee State Parks
Chattanooga, Hamilton County, Tennessee

Dear Mr. Thomas:

This letter is to inform you the Division of Water Resources is terminating the above referenced permit effective as of the date of this letter. This termination is based on the Tennessee State Parks recent announcement to close 11 of its park pools. The Booker T. Washington State Park Pool was listed as one of the pools to be closed, indefinitely, starting in the Summer 2022 season. If you should decide to discharge again under an individual permit, you must reapply for an NPDES permit at least 180 days prior to any proposed discharge.

If you have questions, please contact the Chattanooga Environmental Field Office at 1-888-891-TDEC; or, at this office, please contact Ms. Shannon McClellan at (615) 532-0485 or by E-mail at Shannon.McClellan@tn.gov.

Sincerely,

Vojin Janjić
Manager, Water-Based Systems
