Notice of Intent (NOI) of Coverage Under the Pesticide General Permit (PGP)

Submission of this completed NOI constitutes notice that the Operator identified in Section B intends to be authorized to discharge pollutants to waters of the state within the pest management area identified in Section C of the Pesticide General Permit (PGP). Submission of this NOI constitutes notice that the party identified in Section B of this form has read, understands, and meets the eligibility conditions of Part 1 of the permit; agrees to comply with all applicable terms and conditions of the permit; and understands that continued authorization under the permit is contingent on maintaining eligibility for coverage. To be granted coverage, all information required on this form must be completed. Please read and make sure you comply with all permit requirements, including the requirement for large entities to prepare a Pesticide Discharge Management Plan (PDMP) prior to NOI submittal. Refer to the instructions at the end of this form to complete your NOI.

A. Notice of Intent Status

1. Mark whether this is the first time you are requesting coverage under the PGP or if this is a change of information for a discharge already covered under the PGP. If this is a change of information, supply the NPDES permit tracking number for the discharge.

a. Original NOI Submission

b. NOI Change of Information: TNP 10002 (NPDES Permit Tracking Number)

Please note: When selecting A.1.b please fill out Section B (Operator Name and Mailing Address) and the fields of the NOI that need to be modified.

B. Operator Information

1. Operator Name: PICKWICK ELECTRIC COOPERATIVE

2. Operator Type (check one):

a. Federal government

b. State government

c. Local government

d. Mosquito control district (or similar)

e. Irrigation control district (or similar)

f. Weed control district (or similar)

g. Other: If other, provide brief description of type of operator: ELECTRIC POWER DISTRIBUTOR

3. Are you a large entity as defined in Appendix A of the permit? (check one):

Yes No

Please note: If you answer "Yes" to this question you are required to develop a Pesticide Discharge Management Plan (PDMP) and submit an Annual Report reflecting all pesticide uses for which you are requesting permit coverage under this NOI.

4. Mailing Address:

a. Street: P.O. BOX 49

b. City: SELMER

c. State: TN

d. ZIP Code: 38375

e. Telephone: 731 645 3411

f. Fax: 731 645 7167

g. Contact Name: JOEY LAWSON

h. E-mail: jrlawson@pickwick-electric.com

C. Pest Management Areas: Complete Section C for each Pest Management Area for which coverage under Pesticide General Permit is desired.

Pest Management Area # 1 of ## 1

1. Pest Management Area Name: PICKWICK EMC

Provide a map of the location of the Pest Management Area (attach map) or describe the location of the Pest Management Area in detail.

SEE ATTACHED

2. Are any of your activities (in this pest management area) for which you are requesting coverage under this NOI occurring on areas considered "federal facilities" as defined by the permit? Yes No SHILOH NATIONAL MILITARY PARK IS INSIDE OUR "AREA". HOWEVER, THE PARK SERVICE DOES NOT ALLOW APPLICATION OF HERBICIDES ON PARK FACILITIES, SO WE DO NOT APPLY IN THOSE CIRCUMSTANCES.

3. Mailing address and contact information of the pesticide applicator (or check here if same as provided in Section B):

a. Street: 672 HIGHWAY 142

b. City: SELMER

c. State: TN

d. ZIP Code: 38375

e. Telephone: 731 645 3411

f. Fax: 731 645 7167

g. Contact Name: DONNY GIBBS

h. E-mail: d.gibbs@pickwick-electric.com

4. Pesticide Use Patterns to be included in this Pest Management Area (check all that apply):

a. Mosquito and Other Flying Insect Pest Control

c. Animal Pest Control

b. Weed and Algae Pest Control

d. Forest Canopy Pest Control

5. Receiving Waters (check one):

a. Coverage requested for all waters of the state within the Pest Management Area identified above.

b. Coverage requested specifically for the following waters of the state within the Pest Management Area identified above.

c. Coverage requested for all waters of the state within the Pest Management Area identified above except for:

6. Outstanding National Resource Waters (ONRWs)

Is coverage requested for discharge to an Outstanding National Resource Water(s) of the United States? Yes No
If yes, answer a and b:

a. Name of ONRWs: SEE ATTACHED

b. Provide rationale for determination that pesticide discharge is necessary to protect water quality, the environment, and/or public health and that any such discharge will not degrade water quality or will degrade water quality only on a short-term or temporary basis:

TO PREVENT TREE GROWTH INTO POWER LINES, PREVENT POWER OUTAGES, AID IN RESTORATION TIME

7. Water Quality Impaired Waters

Operators are not eligible for coverage under this permit for any discharges from a pesticide application to waters of the state if the waters are identified as impaired by a substance which is either an active ingredient of the pesticide designated for use or is a product of degradation of such an active ingredient. See Part 1.1.2.1 of the permit. Check one:

a. Waters are NOT impaired by any substance which is either an active ingredient of a pesticide to be discharged or a product of degradation of such an active ingredient

b. Waters are on a current state list as being impaired by a substance which is either an active ingredient of a pesticide to be discharged or a product of degradation of such an active ingredient; however, evidence is attached documenting that the waters are no longer impaired.

D. Certification

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. On the basis of my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations. A false statement is subject to the penalties of perjury.
