RE: Kimberly-Clark Corporation  
Loudon Mill  
Designation of Duly Authorized Corporate Representative for Reporting Purposes

To Whom it May Concern:

Please be advised that as of May 1, 2022, Mr. Matt Gerdeman is appointed to the position of Mill Manager at Kimberly-Clark Corporation's Loudon, Tennessee manufacturing mill ("Loudon Mill") replacing Mr. Peter Kersten. As Vice President of Global Supply Chain for the Kimberly-Clark Professional business, I hereby designate Mr. Matt Gerdeman, Loudon Mill Manager, as the authorized representative responsible for submitting applications to obtain environmental permits, for making periodic monitoring and other reports in connection with permits, and other environmental regulatory reports required by the United States Environmental Protection Agency and/or State environmental regulatory agencies regarding Kimberly-Clark's Loudon Mill.

This designation revokes all previous delegations of this same authority and will remain in effect until revoked in writing. The present delegation is not intended to affect other currently effective delegations made by the Corporation for purposes other than the one specified above.

If you have any questions concerning this designation, please contact Matt Gerdeman at 865-988-7000 or [mgerdema@kcc.com](mailto:mgerdema@kcc.com).

Sincerely,

  
Paul Altermatt 05-02-22  
VP KCP Global Product Supply
