Re: **2nd Notice of Violation (NOV)**
Construction General Permit Tracking Number - TNR111607
Steve Williams Construction
5231 Hwy 58
Hamilton County, Tennessee

Dear Ms. Williams:

In response to a complaint, Mr. Michael Bascom of the Division of Water Resources (DWR) performed an inspection for the above referenced facility on October 22, 2019. During the inspection, DWR observed the following activities occurring outside: borrow pit/soil removal and accumulation of asphalt from construction projects.

Because your site could discharge stormwater associated with industrial activity as defined in 40 CFR 122.26 (b)(14) to Waters of the State you require coverage under an Tennessee Multi-sector General Permit (TMSP) from the Division of Water Resources.

We are aware that this site had coverage under the Construction General Permit (CGP), however this type of activity is no longer covered by this permit. It is now covered under the TMSP. This regulation was changed April 15, 2015.

Violation:

- Failure to obtain a permit is a violation of The Tennessee Water Quality Control Act of 1977 including the 1998 amendments.
