Re: Residential Waste Disposal

To Whom It May Concern:

This letter is to verify that Forest Grove RV Resort has permission to dispose of residential waste at the Newport Wastewater Plant, NPDES Permit #TN0020702. This permission is valid as long as the conditions as agreed on by both parties are met. Should these conditions not be met, you will be notified in writing that permission has been revoked.

Should you have any questions, or require additional information regarding this matter, please feel free to contact me at (423) 625-2847.

Sincerely,

Jim Denton
