Yes, this will be three separate ARAPs, so \$1,500 is correct. You can either mail or drop off a check to our office (address below my name) or you can call 615-532-0065 to pay over the phone. If you decide to pay by phone, then please forward the receipt to me once they send it to you.

The permit numbers for these ARAPs are: NR2401.062, NR2401.063, and NR2401.064 (SID 181617). They have been assigned to Nikki Carpenter (nikki.carpenter@tn.gov), so you can contact her with any questions.

Have a great day!

Cali,

Please use the dropbox link to access an ARAP submittal for Briar Creek Subdivision off of Michigan Avenue Road in Cleveland, TN. I believe this application will need \$1,500 payment for 3 separate coverages (road crossing, utility crossing, & stormwater outfall). Once confirmed, let me know the best way for us to make payment. Thank you!
