Dear Mr. Newton,

The Tennessee Department of Agriculture (TDA) received your application for a Concentrated Animal Feeding Operation (CAFO) permit modification for Newton Farms on November 24, 2014. This letter is to inform you that your modification application has been reviewed and approved by TDA staff. Your application materials have now been forwarded to the Tennessee Department of Environment and Conservation (TDEC) for permit issuance.

PLEASE NOTE: This approval notice does not constitute a CAFO permit – it is merely meant to notify you that the application you submitted has been approved by TDA. TDA approval of your application is a necessary step towards receiving a CAFO permit, but ultimately TDEC is the agency responsible for issuing your modified CAFO permit.

Upon issuance of your modified permit, I can begin processing your CAFO permit renewal request, as received on November 25, 2014.

The official approval form, as sent from TDA to TDEC, is attached. If you have any questions or concerns, please feel free to contact me at (615) 837-5492 or Heidi.McIntyre-Wilkinson@tn.gov.

Best,
Heidi Wilkinson
