Re: Sanitary Sewer Mains  
Glenview Estates  
Section D  
Munford, Tennessee

Dear Ms. Dodd:

We have approved the design of the above referenced project consisting of 1454 linear feet of 8-inch sewer main and agree to own, operate and maintain the proposed project once in operation. We have conducted an analysis and determined the system has adequate capacity and that the project will not create or exacerbate any overflow problems.

Sincerely,

CITY OF MUNFORD

Sherry Bennard  
Public Works Director

Re: Water Main  
Glenview Estates  
Section D  
Munford, Tennessee

Dear Mr. Porter:

I have reviewed your plan of approximately 1455 linear feet of 8-inch water main and 363 linear feet of 12-inch water main for the referenced project. I approve this plan and request that you submit the same to the Division of Water Supply for review and approval.

Sincerely,

CITY OF MUNFORD
