Dear Mr. Ross:

The Division of Water Resources (division) acknowledges receipt of a certified Notice of Termination (NOT) on 6-May-22, for the above-referenced site. After a review of our files and inspection of the site, it has been determined that this site does not meet the termination requirements as stated in Section 9 of the Construction General Permit (CGP) and we are therefore returning the NOT to you. The entire site is not complete and stable and/or is not covered by replacement coverage (see attached inspection report).

When the site meets the requirements for termination, you may re-submit an NOT. Until that time please note that you are liable for construction related stormwater discharges from the site under the terms and conditions of the CGP.

Please be advised that a petition for permit appeal may be filed, pursuant to T.C.A. Section 69-3-105, subsection (i), by the permit applicant or by any aggrieved person who participated in the public comment period or gave testimony at a formal public hearing whose appeal is based upon any of the issues that were provided to the commissioner in writing during the public comment period or in testimony at a formal public hearing on the permit application. Additionally, for those permits for which the department gives public notice of a draft permit,

any permit applicant or aggrieved person may base a permit appeal on any material change to conditions in the final permit from those in the draft, unless the material change has been subject to additional opportunity for public comment. Any petition for permit appeal under this subsection (i) shall be filed with the Technical Secretary of the Water Quality, Oil and Gas Board within thirty (30) days after public notice of the commissioner's decision to issue or deny the permit.

TDEC has activated a new email address to accept appeals electronically. If you wish to file an appeal, you may do so by emailing the appeal and any attachments to TDEC.Appeals@tn.gov. If you file an appeal electronically, you do not have to send a paper copy. If you have questions about your electronic filing, you can call (615) 532-0131. Electronic filing is encouraged, but not required.

If you have questions, please contact Mr. Gregory Overstreet at (731) 225-2689 or by E-mail at Gregg.Overstreet@tn.gov.

Sincerely,
