RE: **Drought Management Plan- Approved**
Waverly Water Department
PWSID #0000733
Humphreys County

Dear Mr. Burkett:

On October 30, 2023, the Division of Water Resources (Division) received an updated Drought Management Plan from the Waverly Water Department. The Division has reviewed this plan and has determined that it meets the Division's requirements. The plan is approved for implementation. Please keep a copy of this plan on file and available for review to all water system and Division personnel.

If you have any questions or need additional information, please contact me at (615) 585-4462 or by email at michaelp.murphy@tn.gov.

Sincerely,

Michael Murphy
Program Coordinator
Division of Water Resources
