Good Afternoon,

Please see the attached NOI for discharges of Hydrostatic Test Water regarding the Chattanooga Gas Company – 435 Walker Valley Road Project. Please let me know if any additional information is required or if you have any questions during your review. Due to unforeseen schedule changes, the target date for the discharge is early to mid-July. Please advise if an expedited review is possible.

Thank you very much for your time!

INSTRUCTIONS

Complete the form Type or print clearly. Answer each item or enter “N/A,” for not applicable. If you need additional space, attach a separate piece of paper. **Requesting coverage under this permit means that an applicant has obtained and examined a copy of this permit, and thereby acknowledges applicant’s ability to be in compliance with permit terms and conditions.** This permit is required for discharges of hydrostatic test water. This form should be submitted at least 30 days prior to the commencement of hydrostatic testing activities.

Permittee Identification/Facility Identification Describe and locate the project, use the legal or official name of the facility or site. Provide the latitude and longitude (expressed in decimal degrees) of the center of the site, which can be located on USGS quadrangle maps. Attach a copy of a portion of a 7.5 minute quad map (or equivalent), showing location of site, with boundaries at least one mile outside the site boundaries.

Give the name(s) of receiving waters Trace the route of hydrostatic test water runoff from the site and determine the name of the river(s), stream(s), creek(s), wetland(s), lake(s) or any other water course(s) into which the hydrostatic test water drains. Note that the receiving water course may or may not be located on the site. If the first water body receiving test water discharge is unnamed (“unnamed tributary”), determine the name of the water body which the unnamed tributary enters.

Submitting the form and obtaining more information Note that this form must be signed by the company President, Vice-President, or a ranking elected official in the case of a municipality, for details see subpart 11.9 of the general permit. For more information, contact your local EFO, toll-free, at 1-888-891-8332 (TDEC). Submit the original completed and signed form to the division address on page 1 or a scanned PDF copy to Water.Permits@tn.gov

Notice of Coverage The division will review the NOI for completeness and accuracy and transmit to the permittee a Notice of Coverage (NOC) and Discharge Monitoring Report (DMR) form.
