Subject: **Preliminary Engineering Report WWTP Expansion
Town of Arlington
Wastewater Project Number: 24.0375
County: Shelby**

Dear Mr. Daniel:

The Tennessee Department of Environment and Conservation, Division of Water Resources, acknowledges the receipt of the above-referenced Preliminary Engineering Report. This project is affiliated with TN0078603 and describes the basis for an expansion of the treatment design and permit capacity from 2.5 MGD to 5 MGD.

The Division's Engineering Services Unit has no concern with the technical rationale provided. A separate correspondence will be sent from the Division's Water Based Systems Unit regarding the permit application status.

Guidance on future submissions can be found in the appendices of the division's most recent *Design Criteria for Sewage Works Construction Plans and Documents*, which is available on our website: <https://www.tn.gov/environment/permit-permits/water-permits1/plans-review-and-approval-for-sewage-works-construction-projects.html>.

To expedite matters, please reference 24.0375 on any future correspondence. If we may be of any assistance, please feel free to contact Mr. Tim Hill, P.E. at (865) 364-9535 or by E-mail at Timothy.Hill@tn.gov.
