Subject: **Permit Nos. IWT000009, IWT000010 and IWT000011**
City of Crossville
Crossville, Cumberland County, Tennessee

Dear Mr. Wood:

The Division of Water Resources (division) acknowledges receipt of the Inter-basin Water Transfer (IWT) permit applications you submitted and, based on our review, we have determined these applications are complete as submitted.

The applicant is responsible for distributing the attached public notice as follows.

1. Publish the notice of the permit application once a week for four consecutive weeks in a newspaper of general circulation in each potentially affected community in the river basin of origin.

To document this publication, please provide us with a copy of the newspaper containing the notice for each of the four weeks

2. Provide notice of the application to a responsible official with each potentially affected community and water user within the proposed basin of origin by certified mail, return receipt requested.

To document the performance of this task, please provide to us a copy of the letter sent to each responsible official with a copy of the return receipt.

3. Post a minimum of three public notices in public buildings, e.g., courthouses, libraries, and city halls, in each potentially affected community in the river basin of origin.

To document the performance of this task, please provide to us a list where these notices were posted.

Please perform these tasks beginning as close to June 23, 2020, as possible. If possible, please provide the documentation to us by July 31, 2020.

Copies of the draft permits and public notices will be sent to you under separate cover. If you have questions, please contact the Cookeville Environmental Field Office at 1-888-891-TDEC; or, at this office, please contact Mr. Jim McAdoo at (615) 532-0684 or by E-mail at Jim.McAdoo@tn.gov.

Sincerely,

Vojin Janjic
Manager, Water-Based Systems
