SUBJECT: **NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES)
PERMIT APPEAL**

TO: Distribution

Attached is a copy of the NPDES permit appeal submitted to the Tennessee Department of Environment and Conservation (TDEC) on January 10, 1997. On February 3, 1997, all limits in the permit, with the exception of those contested in the appeal, will become effective. The specific limits, monitoring frequencies, and schedules under appeal are stayed, and the limits, if applicable, from the 1986 permit remain in effect.

If you have any questions, please contact me at (423) 576-1954 or Rob James at (423) 576-1212.
