Re: NOIs and SWPPP certifications for D.R. Horton, Nashville, TN, Legacy Farms Phase 3 lots 241-246, 291-295, 304-313, 319-324, White House, Robertson County, Tennessee

Dear Mr. Murph:

On behalf of our client, D.R. Horton, Nashville, TN, we are uploading through our FTP server a completed and signed Notice Of Intent for coverage under the Tennessee General NPDES Permit for discharges of Storm Water Associated With Construction Activities Permit No. TNR100000 (TNCGP) for home construction in Legacy Farms Phase 3 lots 241-246, 291-295, 304-313, 319-324 in White House, Robertson County, Tennessee.

We are also uploading the signed SWPPP certifications, topographic map, and plan sheets identifying the lots and the proposed location of BMPs. These lots will be covered by the original SWPPP for D.R. Horton's lots in Legacy Farms; therefore, we have mailed a \$100.00 fee for NOI processing.

Please copy us on the Notice Of Coverage by email to jmatthews@wqectn.com.

Please contact me at 615-292-4812, if you have any questions.

Yours truly,

Colleen White
Office Manager
