Re: Pretreatment Program Local Limits Final Approval
Bristol Pretreatment Program
NPDES Permit No. TN0023531
Sullivan County

SENT VIA ELECTRONIC MAIL: kbourgeois@bristoltn.org

Dear Ms. Bourgeois:

The Division of Water Resources would like to thank Mr. Jeff Corder for his submittal, received on June 27, 2024, of the required public notice documentation by Bristol for modifications to the Local Limits and Protection Criteria. The public notification completes all the required activities for these modifications; therefore, final approval is granted. Should Bristol, at any time in the future, begin experiencing problems at the wastewater treatment plant, these limits should be re-evaluated.

If you have any questions, please do not hesitate to contact me at 615-961-4440 or Samantha.Oneil@tn.gov.

Sincerely,

Samantha O'Neil
State Pretreatment Coordinator
Compliance and Enforcement Unit
