County: Bradley
Wastewater Project Number: 23.0189
Project: Graywood Farms North Treatment facility and STEP collection system (57 lots)

Dear Mr. Fox:

The Department of Environment and Conservation, Division of Water Resources, has received your request for an extension of time to complete the project, previously approved under project number 23.0189 on August 3, 2023. On the basis that no revisions were made to the original submittal, this letter shall demonstrate an extension of one year. Approval now expires on August 3, 2025.

The Division of Water Resources is authorized to inspect the construction work to verify compliance with the approved plans and specifications, which are on the site. Therefore, the engineer shall notify our staff at the Chattanooga Environmental Field Office by calling (423) 634-5745 before the start of construction.

The Division's most recent *Design Criteria for Review of Sewage Works Construction Plans and Documents* is available on our website: <https://www.tn.gov/environment/permit-permits/water-permits1/plans-review-and-approval-for-sewage-works-construction-projects.html>.
