Hello Allison,

Please see answers to your questions below. I will be sure to send the NOT form when construction is complete.

1. How many acres of land are/were disturbed for the construction of your home? **Approximately .25 Acres were disturbed for construction.**
2. Is construction complete on your property? If so, please fill out the attached Notice of Termination document and email it back to me, along with pictures of your site. **Construction has not yet been completed. It is estimated that it will be completed in the next 6-8 weeks. We will be sure to send you completed NOT FORM with pictures when construction is finished.**

Thank you.

Best Regards,
Mike deLong
