

Report MM/YY: 2nd Quarter 2021

County: Wilson

Date must be in a DD-MM-YY format. Use the last day of the month as the date for the monthly flow parameters. For all other parameters use the date of the sample. For any result that is below detection level use < in the column marked BDL for that parameter. Place the detection level used in the parameter column. You must use the letter "Q" in SOP. Use the number zero "0" throughout the rest of the table.
