Ref: Minor Modification
Alternate gas vent
Yarnell Demolition Landfill
Reg. No. DML 47-0069

Dear Ms. Plont:

This letter responds to your request and hereby transmits three (3) copies of the revised proposed minor revision to the current plans for the above referenced project. The proposed alternate gas vent can be constructed on sloped faces without creating integrity issues with the final cover. We respectfully request approval of this minor modification.

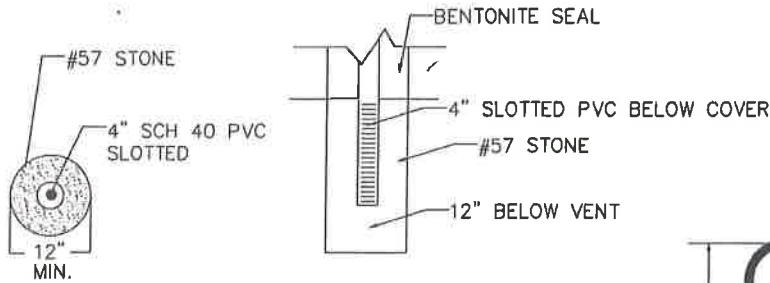

If you have any questions or comments, please call (865) 588-6355.

Sincerely,

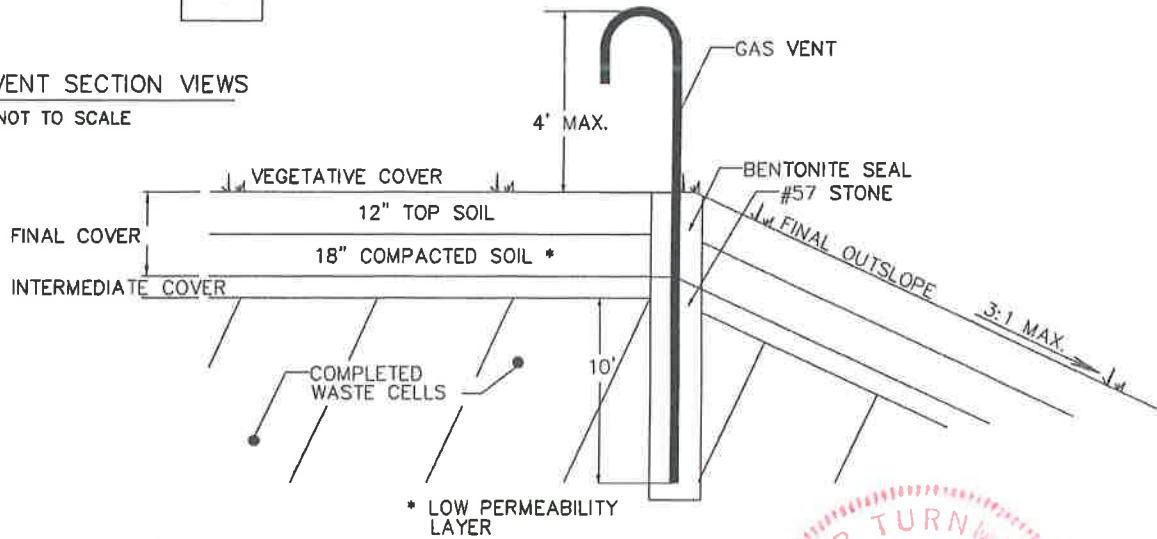

Dr. JB Turnmire, PE
