Re: Notice of Violation – Small MS4

Dear Mr. Karesh:

This letter is in regards to the Notice of Violation letter send January 11, 2022. The City of Dickson offers the following responses to the deficiencies noted in the letter as required action;

MCM1 – Public Education and Outreach

#1: Development and implement of a PIE plan that includes all educational campaigns and documentation listed in the permit

**Response: See Stormwater Management Plan
3.1 Public Information and Education (PIE) plan**

#2: Incorporating an evaluation of public education and outreach components to assess the City's overall PIE plan effectiveness and the need for improvement.

**Response: See Stormwater Management Plan and
Appendix D for documentation forms**

MCM2- Public Involvement and Participation

#3: Development and implement of a plan to publicize public involvement and participation opportunities by methods designed to reach the intended audience.

**Response: See Stormwater Management Plan page 10 in 3.1 Public Information
Education Outreach**

#4: Tracking and monitoring documentation of stormwater related public involvement and participation

Response: See Stormwater Management Plan Section 3.1 and Appendix D for documentation forms

MCM# - Illicit Discharge Detection and Elimination (IDDE)

#5: Development and implementation of a plan to detect, identify and eliminate non-stormwater discharges, including illegal disposal

Response: See Stormwater Management Plan Section 3.2 Illicit Discharge Detection and Elimination

#6: Revising the ERP to include a time frame (not to exceed 7 days) for initiating complaint investigations

Response: See Stormwater Management Plan 3.2.1

#7: Revising, updating, and maintaining a storm sewer system map that shows the location of all system outfalls, inputs into the system and general direction of stormwater flow

Response: See attached contract from CEC to do outfall mapping for Spring 2022. Goal for next year's budget, stormwater sewer mapping and flow direction
