(Water Systems required to directly deliver the Consumer Confidence Report to customers.)

Water System Name:

Brownsville Energy Authority

PWSID Number:

TN 00000 80

The community water system indicated above hereby confirms that the Consumer Confidence Report has been distributed to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the primacy agency.

Approved CCR distribution methods are outlined below. (Check all that apply.)

Mailed the CCR to customers within the service area. (Attach CCR and mail receipt.)

Distributed CCR by direct delivery. (Attach CCR and specify method of delivery.)

Distributed the CCR by electronic delivery methods. URL: www.bvalutil.com/WATERQUALITY/BROWNSVILLE

Mailed customers a notification containing the URL address that will take customers directly to the CCR on our website or a publicly available site on the internet. (Attach copies of the CCR and three consecutive month water bills or other direct mail notifications.)

Email or other electronic method.

Explain in detail: _____

In addition to the above distribution methods, the following "Good Faith" efforts were used to reach non-bill paying consumers. (Check all that apply and attach lists or press releases.)

Posted the CCR on the Internet at: www.bvalutil.com

(Required for Community Water Systems Serving 100,000 persons or more.)

Issued press release on CCR to news media (Television, Radio, etc.)

Published the CCR in local newspaper(s). (Attach newspaper page containing CCR.)

Posted CCR in public places: (City Hall, Library, Water Office, Post Office, etc.)

Delivery of multiple copies to single bill addresses serving several persons: (Apartments, condominiums, nursing and/or assisted living centers.)

Delivery to large businesses, factories or community organizations

Electronic newsletter, listserv, social media outlets

I hereby certify that the information provided is true and correct:
