Notice of Coverage Fact Sheet**

The Division of Water Resources received from your company a notice of intent (NOI) to be covered under the General NPDES Permit for discharges of Filter Backwash and Sedimentation Basin Washwater from Water Treatment Plants (WTP). The new WTP became effective on August 21, 2015, and expires on August 19, 2020. **We have recorded your facility's information and are hereby notifying you that your facility is covered under this general permit.**

Enclosed with this fact sheet you will find a notice of coverage with the permit tracking number, facility's name, address and receiving stream information that apply to your facility. In order to receive a copy of the WTP permit we ask that you visit our web site located at: <http://tn.gov/environment/permits/filtwash.shtml>. We will provide you with a printed copy of the WTP only upon your request.

At our web site, you will be able to download general requirements, as well as permit rationale, notice of determination and links to relevant web sites. If you do not have access to the Internet, or have additional questions, please contact us at 1-888-891-TDEC. Below is a summary of effluent limits that apply to regulated WTP in general.
