Re: Transmittal of Preliminary Engineering Report
City of Dresden, Weakley County
Wastewater Project Number 24.0185
Project: Sewer System Rehabilitation

Receipt is acknowledged on March 11, 2024, of the above-referenced preliminary engineering report. The project is associated with permit TN0062286 and consists of investigation and cleaning of the sewer system and approximately 16,000 linear feet of CIPP and rehabilitating 240 manholes.

The Engineering Services Unit has no objection to the chosen alternative. The facility should upload this memo and PER to their ARP grant file.

To expedite matters, please reference the assigned wastewater project number 24.0185 on any future correspondence. If we may be of any assistance, please feel free to contact Mr. Tim Hill, P.E. at (865) 364-9535 or by E-mail at Timothy.Hill@tn.gov.
