**RE: White Oak PD Phase 3  
Sanitary Sewer Plans  
Arlington, TN**

To Whom It May Concern:

Attached please find three (3) sets of signed sewer construction plans, hydraulic calculations, and a check for review fees. The plans show 1206 lf of 8" gravity sewer to be constructed for a new residential subdivision and ties into an existing 8" main in the Arlington public sewer system. The system flows to the Northwestern Wastewater Treatment Plant in the Town of Arlington.

If you have any questions, please contact me at (901) 854-3420.

Sincerely,

Mark McGuire, PE  
President
