Southland Engineering Consultants is submitting a check in the amount of \$150.00 and four copies of wastewater plans for Caney Creek RV Resort in Roane County, TN. The wastewater will flow into Roane Wastewater Treatment Plant and the permit # TN00244773.

This project was approved under WPC 08-0459 and part of it was completed.

The plan consists of 206 linear feet of 8" PVC gravity sewer and approximately 482 linear feet of 1.5" pvc low pressure force main and one grinder pump. The wastewater lines will be constructed to the specifications of Roane County Wastewater Utility, Roane County, TN.

Please try to expedite this matter.

Thank You,
