Dear Jim McAdoo,

ATTN: Tracking Number TNR058206

Industrial activity (SIC 2869) at the DuPont facility located at 200 Industrial Drive, Vonore, TN ceased in December 2015. The facility is currently in the process of being decommissioned and will be turned over to TennEra once completed. At this time we request that the facility's Industrial Storm water Permit be terminated.

In the interim, I am acting as the Responsible Official for the facility. If there are additional questions or comments regarding the facility, please contact Steven White at ~~515-460-3332~~ or [steven.white@dupont.com](mailto:steven.white@dupont.com).  
515-460-3332

Sincerely,

A handwritten signature in black ink, appearing to read "G. DeRitter", with a long horizontal flourish extending to the right.
