Re: Poplar Street

Dear DWR-ESU Admin:

The City of Elizabethton has engaged the firm of Mattern & Craig for the design of the above-referenced project. We have reviewed and approved the plans stamped by Randy Beckner, P.E., and have authorized them to submit to your division for State approval. The City agrees to own, operate, and maintain the public water line being installed.

Please feel free to contact me if you have any questions or need additional information.

Sincerely,

A handwritten signature in blue ink, appearing to read "Colby Wood".
