Re: Sewer Line Improvements  
Monroe Road  
City of Maynardville  
RGC Project No. 16086

**WPN18 0368**

Dear Mr. Janjic':

Enclosed herewith for your re-approval are four copies of the plans for 3,668 linear feet of 8" sewer line adjacent to Monroe Road within the City of Maynardville Sewer System. The project will essentially provide service to approximately 18 new customers. Construction shall adhere to the most current TDEC approved standard specifications for sewer system construction for the City of Maynardville.

The project review fee has previously been paid. The project was approved as project number 16-0989 and the City is just now beginning construction of the project. If you have comments or questions, please advise.

Sincerely Yours,

Robert J. Colvin, P.E.
