**Re: Walker Meadows Subdivision - Phase 2
Sanitary Sewer System
Munford, Tipton County, Tennessee**

Dear Mr. Janic,

Enclosed is a check for the required fee of \$525.00 (i.e., 5,032 l.f. / 250 x \$25) for the sanitary sewer system for the Walker Meadows Subdivision – Phase 2 Project (residential subdivision) in Munford, Tipton County, Tennessee. The remaining documents were submitted electronically.

The design plans of the gravity sewer system have been reviewed, approved and signed by the City of Piperton's City Engineer, Ken King (King Engineering of Memphis, TN).

Due to the tight time frame associated with this project, I ask that your office please process this submittal as quickly as possible.

Thanks for your cooperation and consideration. If you have any questions, please call me at (731) 285-1698.
