May 19, 2016

Mr. Brian Canada
Division of Water Resources
Tennessee Department of Environment
and Conservation
312 Rosa Parks Avenue, 11th Floor
Nashville, Tennessee 37243

Dear Mr. Canada:

TENNESSEE VALLEY AUTHORITY (TVA) – ALLEN FOSSIL PLANT (ALF) – MOORING CELL RESTORATION PROJECT – AQUATIC RESOURCE ALTERATION PERMIT (ARAP) - FILE # NRS15.216 - SCOPE OF WORK UPDATE

TVA is submitting this scope of work update for the subject permit to include the demolition of barge mooring cell # 24 at ALF.

TVA believes that this updated scope will have only a de minimis impact on water quality. We appreciate your time in handling this request. If you have questions or need additional information, please contact Chad Reed at (423) 751-3948 in Chattanooga, or by email at chreed@tva.gov.

Sincerely,

A handwritten signature in blue ink that reads "Terry E. Cheek".

Terry E. Cheek
Senior Manager
Water Permits, Compliance, and Monitoring

Mr. Canada,

Please see attached letter requesting removal of barge mooring cell 24 to be included in the subject permit at TVA Allen Fossil Plant.

Will a scanned letter via email be sufficient or do I need to mail it too?

Just send me a notice on letter head requesting the removal. We can do it by an update to record rather than a modification.

Thanks!

Mr. Canada,

TVA would like to add the demolition of Mooring Cell #24 to the current attached ARAP. Would this require a formal permit modification or an approval letter?
