Good Morning Bea,

We need two checks sent to TDEC. One for a SWPPP and the other for a ARAP. It needs to be two separate checks. The first one for the SWPPP should have on it: McCall Road water line SWPPP. The second one for the ARPA should have on it: McCall Road Water Line ARAP. You can send them both out from Lexington if you want to or you can send them here and I will send them on.

The address is:

Johnson City environmental Field Office
2305 Silverdale Road
Johnson City, TN 37601-2162

If you send them out from there, please send us a copy of both checks for our records.
Call me if you have any questions.

Thanks so much Bea for your help.

Cindy

P.S. Both these reports have already been submitted and are waiting for the payment.
