Tennessee Multi-Sector Permit (TMSP)
Notice of Coverage Fact Sheet

We received from your company a Notice of Intent (NOI) to be covered under the Tennessee Storm Water Multi-Sector Permit (TMSP). The new TMSP became effective on April 15, 2015, and expires on April 14, 2020. **We are hereby notifying you that your facility is covered under this general permit. The facility's SWPPP shall be modified to address additional requirements in the new permit no later than 60 days following the effective date of this permit.**

Enclosed with this fact sheet you will find a Notice of Coverage with the permit tracking number, facility's name, address, receiving stream information and the industry-specific sector(s) that apply to your facility. In order to get a copy of the TMSP requirements we ask you to visit our web site located at: <http://www.tn.gov/environment/article/permit-water-storm-water-multi-sector-general-permit-industrial-activities>. We will provide you with a printed copy of the TMSP only upon your request.

The EPA has multiple templates that can be used by industrial facilities to assist in compliance with permit requirements, including but not limited to the annual compliance evaluation, quarterly inspections, monthly inspection, etc. To obtain copies of these templates and/or other resources, please go to <http://water.epa.gov/polwaste/npdes/stormwater/EPA-Multi-Sector-General-Permit-MSGP.cfm>.

At our web site, you will be able to download general and sector-specific requirements, as well as permit rationale, Notice of Determination, TMSP guidance documents, links to relevant web sites, and a copy of a No Exposure Certification form. If you do not have access to the Internet, or have other questions, please contact us at 1-888-891-TDEC or by E-mail at Water.Permits@tn.gov.

Sincerely,

Vojin Janjić
Manager, Water-Based Systems Unit

Tracking No. TNR059498
