Subject: [EXTERNAL] TN0020982 Covington Narrative Condition
Date: Wednesday, March 13, 2024 7:42:22 AM

To whom it may concern,

In accordance with the City of Covington's NPDES Permit TN0020982, the 2023 annual summary of the Covington Gasification Facility's operation/performance and Outfall 001 temperature. This past year and currently the Gasification system is not in operation. At this time, we do not have any plans for restarting this unit. If you have any questions, please contact me.

Thanks,

Calvin Johnson | Utilities Manager
City of Covington | Utilities Department
