Attention: Adam Bonomo

Dear Mr. Bonomo:

Thank you for your letter of October 27, 2023.

Modifications have been made to the permit to satisfy part 1(a) of the letter.

Regarding part 1(b), a clause has been added to the permit stating the necessity for the use of a SOP.

Technical Plating is working with the City to determine what, if any, changes need to be made to its covered floor drains.

Modifications have been made to the permit to satisfy part 2(a), (b) and (c).

It was the intention of this letter to fully respond to your letter of October 27, 2023. Should you wish to discuss the content of this letter, or need additional information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Michael R. Jennings".

Michael R. Jennings, Mayor
