Hi Vojin,

Attached is a letter requesting a 60-day extension for EPA's review of the draft permit for Memphis Regional Megasite WWTP (TN0081906). If you have any questions please let me know.

Thank you,

Susanna Bains

Subject: Review of Draft Permit
Memphis Regional Megasite WWTP
National Pollutant Discharge Elimination System Permit Number: TN0081906

Dear Mr. Janić:

In accordance with the U.S. Environmental Protection Agency (EPA)/Tennessee Department of Environment and Conservation Memorandum of Agreement (MOA), we are notifying you of the need to invoke the 60-day extension of the 30-day review provision in the MOA to review the above-referenced draft National Pollutant Discharge Elimination System Permits and accompanying materials received by the EPA on March 21, 2023.¹ Our staff requests further review time to gather additional information pertinent to this permit reissuance.

The EPA will complete the review of these draft permits as expeditiously as possible prior to the end of the Agency's full 90-day period that ends on June 19, 2023.

If you have any questions, please contact Susanna Bains at (404) 562-9747, or via email at Bains.Susanna@epa.gov.

Sincerely,

Stacey Bouma, Chief
Water Quality Branch
Water Division

¹ Pursuant to 40 Code of Federal Regulations § 123.44(a)(1), the EPA may take up to 90 days from the receipt of permit information to make general comments, objections to, or recommendations on, a draft permit.
