Dewitt,

On Friday February 25, 2023 Denise Massey retired after twenty-two (22) years of service with the Lewisburg Water and Wastewater Department. There are four (4) Grade 4 certified operators within the department with the capability to assume this vacant operator in charge position. Cathy Allen Talley certified operator number 2652 has been named as the OIC. Pat McCandless operator number 4740 remains the operator in charge of the collection for the Cornersville system.

Sincerely,
