Re: Notice of Violation/Corrective Action
Love's Travel Stop & Country Stores
NPDES Permit Tracking Numbers TNR121864 & TNR121990
Eastview, McNairy

Dear Department of Environmental and Conservation,

I first must apologize for the current state of the site and for the delayed response. Love's Travel Stops & Country Stores, Inc. is working diligently to resolve the noted violations. We have a contractor onsite that has repaired the silt fence. As soon as the site has dried out enough we will regrade the washed-out areas, install some check dams and place additional grass. Also, please see the attached inspection reports.

Regards,
Jerrold Marsh
