Dear Mr. Gregory:

The Division of Water Resources (division) acknowledges receipt of a certified Notice of Termination on December 19, 2016. This form was submitted according to Section 8.1.1 of the General NPDES Permit for Discharges of Storm Water Associated with Construction Activities (TNR100000), which requires the operator to submit written certification that a site, or portion of a site, has been finally stabilized and all storm water discharges associated from the construction activities that were authorized are eliminated. A site visit was conducted and this office concurs with your request.

If you have questions, please contact the division at your local Environmental Field Office at 1-888-891-TDEC; or, at this office, please contact Thomas Huff at (931) 879-0282 or by E-mail at Thomas.Huff@tn.gov.

Sincerely,

Johnny K. Walker
Environmental Program Manager
