| | | Longitude (dd.dddd): -86.627911 | |

Resources Proposed for Alteration: Stream / River Wetland Reservoir

Name of Water Resource (for more information, access <http://tdeconline.tn.gov/dwr>): Robertson Branch

Brief Project Description (a more detailed description is required under Section 8):
 Crossing of Robertson Branch with a residential driveway and slab (box) bridge

Does the proposed activity require approval from the U.S. Army Corps of Engineers, the Tennessee Valley Authority, or any other federal, state, or local government agency? Yes No

If Yes, provide the permit reference numbers:

Will the activity require a 401 Water Quality Certification: Yes No

If Yes, attach any 401 WQC pre-filing meeting request documentation

Is the proposed activity associated with a larger common plan of development: Yes No

If Yes, submit site plans and identify the location and overall scope of the common plan of development.

Plans attached? Yes No

If applicable, indicate any other federal, state, or local permits that are associated with the overall project site (common plan of development) that have been obtained in the past (e.g., construction general permit and/or other ARAP):
